Bridgewater, New Jersey 08807

We have audited the accompanying Statements of Financial Position of Somerset Home for Temporarily Displaced Children, Inc. as of December 31, 2011 and 2010 and the related Statements of Activity, Statements of Functional Expenses and the Statements of Cash Flows for the years then ended. These financial statements are the responsibility of management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, Government Auditing Standards issued by the Comptroller General of the United States, the provisions of U.S. Office of Management and Budget (OMB) Circular A-133, "Audits of Institutions of Higher Education and Other Non-Profit Institutions" and State of New Jersey OMB Circular 04-04, "Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid." Those standards and provisions require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

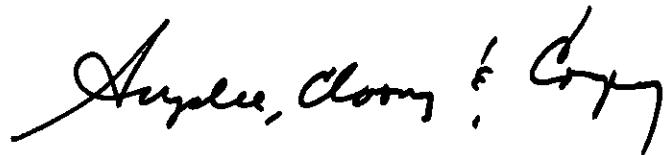

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Somerset Home for Temporarily Displaced Children, Inc. as of December 31, 2011 and 2010 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The information included in the schedules of expenditures of federal awards and state financial assistance and the other supplementary schedules and data listed in the table of contents is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments and Non-Profit Organizations," and New Jersey OMB's, Circular 04-04, "Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid" and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. This information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. Basis of Accounting

The Organization prepares its financial statements on the accrual basis.

Financial Statement Presentation

Net assets and revenues, gains, and losses are classified based on the absence or existence and nature of donor-imposed restrictions as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all monies in banks and highly liquid investments with maturity dates of less than three months to be cash equivalents.

Investments

Investments in marketable securities and debt securities in the statement of financial position are valued at their fair values based on quoted market prices or prices which are provided by investment managers that are obtained from independent sources they believe to be reliable. Realized and unrealized gains and losses are included in the statement of activities.

Revenue Recognition

Federal and certain State funds are received on a cost reimbursement basis. Revenue with respect to these federal and state awards is recognized to the extent of expenses incurred under the award terms. Upon completion or expiration of a grant, unexpended funds are not available to the Organization.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activity as net assets released from restrictions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fixed Assets

Property and equipment are stated at cost at date of acquisition. Depreciation is based on estimated useful life of the acquired asset, applied on a straight line basis.

Income Tax Status

The Organization qualifies as a tax-exempt organization under Section 501 (c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. In addition, the Organization has been determined by the Internal Revenue Service not to be a "private organization" within the meaning of Section 509(a)(1) of the Code.

Financial Accounting Standards Board Interpretation No. 48 requires that an organization recognize in the financial statements the impact of its tax position if that position was not to be sustained on review, based on the technical merits of the position. During the year ended December 31, 2011, the Organization performed an evaluation of its tax positions and did not note any matters that would require recognition in the statement of activities or which may have an effect on its tax-exempt status.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Activity. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Contributed Services

The Organization receives a substantial amount of services donated by its volunteers in carrying out the organization's purpose. No amounts have been reflected in the financial statements for those services.

(2) FINANCIAL DEPENDENCY

NOTES TO FINANCIAL STATEMENTS

(6) FAIR VALUE MEASUREMENTS

The Organization's assets and liabilities reported at fair value are valued using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy defines three levels of inputs, giving the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 Measurements - Quoted prices for identical instruments in active markets. Assets utilizing Level 1 inputs are marketable securities and other investments that are actively traded and provide the basis for fair value measurement.

Level 2 Measurements - Inputs other than quoted prices included in Level 1 that are observable either directly or indirectly; quoted prices for identical or similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data, for substantially the full term of the assets or liabilities.

Level 3 Measurements - Significant inputs to the valuation model are unobservable. Currently, the Organization does not have any Level 3 financial instrument inputs.

The fair-value hierarchy for assets and liabilities measured at fair value is as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>2011</u> <u>Level 3</u>	<u>Total</u>
Investment at Fair Value:				
Marketable Securities	<u>\$287,267</u>	<u>- 0 -</u>	<u>- 0 -</u>	<u>\$287,267</u>

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

(7) ENDOWMENT FUND

The Organization's endowment fund consists of several funds established for a variety of purposes. The funds are restricted by donors. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Trustees of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of any subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) The duration and preservation of the fund; (2) The purposes of the Organization and the donor-restricted endowment fund; (3) General economic conditions; (4) The possible effect of inflation and deflation; (5) The expected total return from income and the appreciation of investments; (6) Other resources of the Organization; and (7) The investment policies of the Organization.

BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH

The Board of Trustees

We have audited the financial statements of Somerset Home for Temporarily Displaced Children, Inc. as of and for the year ended December 31, 2011 and have issued our report thereon dated June 15, 2012, in which we expressed an unqualified opinion. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Somerset Home for Temporarily Displaced Children, Inc.'s internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of Somerset Home for Temporarily Displaced Children, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Somerset Home for Temporarily Displaced Children, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was limited for the purposes described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Somerset Home for Temporarily Displaced Children, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended for the information of Somerset Home for Temporarily Displaced Children, Inc. and federal and state audit agencies and is not intended to be and should not be used by anyone other than these specified parties.

Compliance

We have audited the compliance of Somerset Home for Temporarily Displaced Children, Inc. with the types of compliance requirements described in the State of New Jersey, State Grant Compliance Supplement that are applicable to each of its major federal and state programs for the year ended December 31, 2011. Somerset Home for Temporarily Displaced Children, Inc.'s major federal and state programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal and state programs is the responsibility of Somerset Home for Temporarily Displaced Children, Inc.'s management. Our responsibility is to express an opinion on Somerset Home for Temporarily Displaced Children, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with U. S. generally accepted auditing standards; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the provisions of U.S. Office of Management and Budget (OMB) Circular A-133 "Audits of State, Local Governments and Non-Profit Organizations" and State of New Jersey OMB Circular 04-04, "Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid." Those standards and provisions require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about Somerset Home for Temporarily Displaced Children, Inc.'s compliance with those with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Somerset Home for Temporarily Displaced Children, Inc.'s compliance with those requirements.

In our opinion, Somerset Home for Temporarily Displaced Children, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal and state programs for the period ended December 31, 2011.

Internal Control Over Compliance

The management of the Somerset Home for Temporarily Displaced Children, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal and state programs. In planning and performing our audit, we considered the Somerset Home for Temporarily Displaced Children, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal or state program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended for the information of Somerset Home for Temporarily Displaced Children, Inc. and federal and state audit agencies and is not intended to be and should not be used by anyone other than these specified parties.
